Hi there,

When we open the company in 2018 and we started working we paid \$10 per hour now we pay \$16-\$19 depends on position. With our current rate we are unable to do local jobs.

Price of materials went up over 60% for all plastic and boxes, those are not going down. We don't even take fuel into calculation since it may change.

Good afternoon to all parties:

Jordan River Moving, would you please provide justification or reasons for your request to amend the tariff? Please reply to all parties and to the PSC Contact email addresses above. All correspondence with the PSC will be filed on the docket management system to avoid any ex parte communication. It would also be helpful for you to provide a revised tariff incorporating the changes you propose. Thank you. Sharon Besley
